# Bodhi-Intern Certificate Program (from IIT Bombay)
https://garuda.bodhi.cse.iitb.ac.in/

Want high quality instruction, more practice problems, hands-on learning and discussion with peers? And while at it, win an internship opportunity at IIT Bombay?
Welcome to the BodhiTree platform!

What is BodhiTree?

BodhiTree platform developed at IIT Bombay hosts interactive multimedia books including lab manuals that mimic classroom teaching. It can be used by students and teachers alike for a rich user experience. BodhiBooks are made of chapters --> sections --> elements. Elements are interactive videos; auto-graded practice/lab problems; reference material; slides etc. BodhiBooks are accessible via smartphone app and web-browser.

4 Steps for Internship*:

1. Visit https://garuda.bodhi.cse.iitb.ac.in, sign-up and then enroll in 3 books: Introduction to Programming (IP), Computer Networks (CN) and Operating Systems (OS)
2. (A) Complete at least 10 assignments in IP **and** (B) Score at least 200 marks across CN and OS via in/outvideo quizzes (look under "Performance" on the platform)
3. Work on a programming project of your choice (minimum 40 hrs coding) on at least **one of** below technology a) Django python backend and/or ViewJS/ReactJS frontend b) Android and c) iOS. Submit (A) a link to a 3-5 min video showing a demo of your project, and (B) a github link to your project source code. Use the form below to submit.
4. Once you satisfy above, apply formally for consideration for Internship via https://forms.gle/Brv6zmT4BC4ZqDnTA by **10th May, 2020**.

(* The Internship offer applies to only 3 books, but you are encouraged to checkout the other books)
